COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

Applicants are in receipt of an Notice of Allowance and Issue Fee Due dated March 22, 2007, in the above-referenced application. The Issue Fee is due on or before June 22, 2007.

Applicants respectfully traverse the Reasons for Allowance set forth in the March 22, 2007 Notice of Allowability on the grounds that whereas the Reasons refer at page 3 to the features of Claim 15 before the June 9, 2005 Preliminary Amendment (e.g., "receiving a message containing", "downloading the most recent software version if versions differ when compared", etc.), Claim 15 instead recites the features presented on June 9, 2005 (e.g., --sending a message querying--, --downloading software having the most recent software version number...--, etc.).

Furthermore, whereas the Reasons refer to features of Claim 15, independent Claims 26 and 97 are different in a number of aspects from Claim 15 and are believed to be allowable in their own right (for example, they do not recite the term "authentic" present in Claim 15, among other differences).

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

/Daniel S. Glueck/
